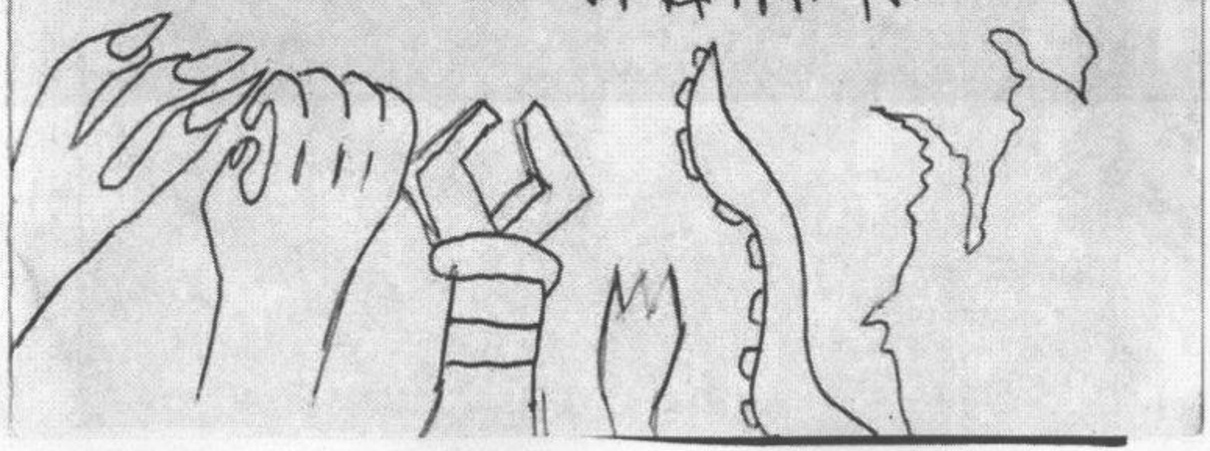
WAKE THE Fuck UP and take a look around & see what's WRONG!

DAWN OF THE DEAD

Quit Taking yourself so seriously and have fun, because if you cant laugh at yourself when you do something wrong, you should shut the fuck up about other people's fuck-ups...

I really like to sew and skateboard. I think too many people are doing nothing and most times if you are bored with your bullshit, you gotta do something- not just waiting around for change but Taking Action and doing shit yourself instead of getting depressed about it. DIY OR DIE

WHAT THE FUCK! I'M SICK AND TIRED OF HEARING THE SAME CONVERSATIONS ABOUT NATIONALITY, RELIGIOUS BELIEFS, AND WHATEVER OTHER HERESAY BULLSHIT. PEOPLE NEED TO GET PAST THAT SHIT AND START TAKING CARE OF EACH OTHER.



In an office tower, a blossoming of hell

The fire in one of Brazil's newest skyscrapers—a 25-story structure housing the Crefisul Investment Bank—began in an air conditioner and took only 25 minutes to put out. But during those few hideous minutes in São Paulo last February, 189 persons died. An official investigation told why: the flames had fed wildly on plastic interior fittings, the fire stairs were inadequate and the firemen's ladders too short to reach above the 13th floor. Those not trapped and cremated in offices and elevators were broken in panicked leaps from upper floors.

Prostitution is coeval with society. It colors the earliest mythological records. It is candidly dealt with as an extant profession in Biblical history. It can be followed from the dawn of civilization to its reality in the present day.

8. NECROSEXUAL BESTIAL BUTT SEX DAY

One highlight of 1990's notorious Live From Antarctica tour was when sidekick Sexecutioner skipped onstage with the carcass of a dead dog impaled on his penis. Oderus calmly asked, "Oh, Sexy, whatever are you doing with that dead dog, flitting about the stage in such a gay manner?" Sexecutioner answered: "Why, Oderus, have you forgotten? It's Necrosexual Bestial Butt Sex Day!" Whereupon Oderus replied, "*Every* day is that day when you're in GWAR."

Oderus and Sexy sodomized the canine corpse together until their party was crashed by Oderus's dildo-wielding girlfriend, who was pissed off at not being invited.
